Consent to check Centrelink details

I authorise:

- my electricity retailer to use Centrelink Confirmation eServices to perform a Centrelink enquiry of my Centrelink or Veterans' Affairs customer details and concession card status in order to enable the electricity retailer to determine if I qualify for a concession, rebate or service.
- Services Australia (the agency) to provide the results of that enquiry to my electricity retailer and/or water corporation.

I understand that:

- the agency will disclose personal information to my electricity retailer including my name, address, payment, concession card type and status to confirm my eligibility for the concession.
- this consent, once signed, remains valid while I am a customer of my electricity retailer unless I withdraw it by contacting my electricity retailer or the agency. I can get proof of my circumstances/details from the agency and provide it to my electricity retailers that my eligibility for the concession can be determined.
- if I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the concession provided by my electricity retailer and/or water corporation.

Note: If completing this form electronically, the form should be printed and signed by both the applicant and the doctor before being sent.
