Consent to check Centrelink details

I authorise:

- the Department of Health (the department) to use Centrelink Confirmation eServices to perform a Centrelink enquiry of my Centrelink or Veterans' Affairs customer details and concession card status in order to enable the department to determine if I qualify for a concession, rebate or service.
- Services Australia (the agency) to provide the results of that enquiry to the department.

I understand that:

Can I make a second claim?

Yes, if you have made more purchases that would have made you eligible for a higher rebate if sent with your first claim. Your spending for both claims will be added, and a rebate for the difference between the total claim for the year, and your first claim, will be paid.

Second claims must be received by 31 December of 2024.
